

ROUTE DEVIATIONS DUE TO CRADOCK STREET UPGRADE

George Municipality will be conducting road upgrades to the section of Cradock Street between Market and Hibernia Streets. Starting on Monday 10 November 2025, the project is set to be completed within 6 months.

All routes using this section of Cradock Street will be rerouted in a way to cause the least inconvenience possible. Passengers are advised to study the maps provided and choose an active or temporary stop (green dots) which is most convenient for their particular needs.

Please ask the communication champions for help to find your best stop if you are unsure, or phone the GO GEORGE Call Centre on 0800 044 044.
